Music at St.Mary's

Exciting things are happening at St.Mary's Church in Penzance!

2017 sees several projects underway to make our church one of the best music venues in Cornwall.

One project is a professional recording installation which is now complete. This means that the church can record your orchestra, choir or ensemble to full CD specification. If you are a school looking to make a CD or album for release on i-tunes, we can help you! Maybe you are organising a choral or orchestral concert and would like the event recorded? Whatever your recording needs we can help.

If you would like to discuss any recording possibilities at St.Mary's please contact Chris Doggett at the St.Mary's Studio on 01736 756333

Delicious food provided by Quirky Bird from 12 noon.

We are a family run business based in Market Jew Street which opened in July 2015.

We try to source as much of our produce from local suppliers and producers, namely: Lentern's Butchers, Mounts Bay Dairy, Baker Tom's Bakery, Penwithian Wholesalers, Kernow Inferno, Cathy's Choice, Cornish Tea, Voyager Coffee, Cornish Sea Salt, Cornish Crab Company.

All our food is homemade and freshly prepared in our own kitchen.
